TRANSMISSION PROBLEMS? Often times an expensive replacement isn't necessary. Many repairs can be performed without the removal of the transmission at a fraction of the cost. In the event of a complete failure, a quality overhaul with upgraded parts produces a more durable and reliable transmission which can cost half the money of a re-manufactured unit. Find out what a difference factory trained experts can make! Call Sparta Auto & Trans today for quality, affordable solutions to all of your car or truck repair needs. 616-887-8205 or toll free 1-866-987-2678.
